

DUCT BANK *Spacers*

INDUSTRIAL PLASTIC SOLUTIONS

Piedmont Plastics is your primary source for performance plastic solutions. Our industrial-grade materials are meticulously designed to fabricate construction applications like duct bank spacers, bore spacers, and more.

Available in a variety of sizes, our plastic materials can accommodate almost any size duct while also maintaining optimal separation during installation.

CAPABILITIES & SERVICES

You can order high-density duct spacer materials at your local Piedmont Plastics branch today.

Our high-performance plastic sheets are specially engineered to meet contractor specifications while maintaining consistent performance in extreme environments.

FEATURES & BENEFITS

- High-density construction to support heavy loads, prevent corrosion, and withstand wide temperature ranges.
- Lightweight characteristics for safe and cost-effective installation.
- Soft surfaces that will minimize accidental damages.
- Easily customizable sheet to meet your exact size and hole patterns.
- Environmentally friendly, non-toxic, and recyclable.

THE PIEDMONT DIFFERENCE

For over 50 years, Piedmont Plastics has developed a reputation for excellent customer service, having the most knowledgeable team, and offering superior product quality.

We are committed to maintaining high standards, and our customers continually rely on us for:

- On-Time Shipping
- Industry Expertise
- Quality Management Systems
- Premier Brands
- State-of-the-Art Conversion Equipment
